Key Products

eFACiLiTY® | Enterprise Facility Management Software

eFACiLiTY® - Enterprise Facility Management Software is a leading CAFM/FMS solution that competes with world leading products in the CAFM/EAM/CMMS space. It is a contemporary solution that works together with businesses to provide complete perspective on facilities operation by bringing together space, people, assets and maintenance into a single system.

eFACiLiTY® can seamlessly integrate with all popular Building Management Systems (BMS) and Building Automation Systems (BAS) from companies like Honeywell, Siemens, Schneider Electric, Tridium, Carrier Race, Azbil, Trane, Automated logic etc., The system has been conceptualized, developed, continuously improvised and innovated to optimize the entire facility management operations of any large infrastructure like

- ▶ Airports
- ▶ Business / IT Parks
- ▶ Commercial & Residential Complexes
- ▶ Corporate Houses
- ▶ Data Centers
- ▶ Government Organizations
- ▶ High Security Buildings
- ▶ Hospitality
- ▶ Healthcare
- ▶ Manufacturing Facilities
- ▶ Smart Cities
- ▶ Retail

Modules

Other Key Clients

Testimonials

SEKAR NATARAJAN
CIO, Sandoz, India

"We had a good and very satisfied experience with SIERRA for Quality, Cost effective and timely support and hopefully continue to have the same kind of support in future also"

FADIAL KHAYYAT

Director, Integrated Facilities Management, Saudi Arabian Trading & Construction Co.

"I cannot conclude without thanking the SIERRA team for the support you have given to us from day one, your professional and dedicated team have lead us down the right path to present a system to our client that is of a high quality standard, we know that you will also be there for us in the future as well"

MAHBOOB BASHA M

IT controller, Saudi Catering & Contracting Co

"It's been 8 years of association with SIERRA and with complete satisfaction, I can expect them to achieve higher success as they are pioneer's in Facility Management System"

T P THOMAS

Head Property Management & Administration Department; Malaysian Communications and Multimedia Commission (MCMC/SKMM) Malaysia.

"SIERRA team had given their full commitment to MCMC and has conducted themselves in a professional and trustworthy manner by completing the implementation of the eFACiLiTY® system on schedule while fulfilling the quality level set by MCMC. SIERRA's eFACiLiTY® System is used in our HQ in Cyberjaya and 13 regional offices all over Malaysia"

ISAAC TOLEDO

Application Development Center - Director, JT International SA, Geneva

"SIERRA is a very dynamic and open software house. We enjoyed working with the management who are very receptive to flexibility, providing good alignment during project execution. The team is able to provide good results with strong governance"
